

Facility Use Plan (Summary)

Social Distancing:

- Everyone will need to maintain at least 6 feet distance from each other with the exception of family members who share the same household.
- We will be allowing private and semi-private swim lessons.
- Semi-private swim lessons will be 10 minutes in length. The Instructor will teach each student separately in the semi-private lesson.
- If there are two siblings (who share the same household) in the same semi-private lesson, they will receive 20 minutes.
- Swim Instructors will be spaced out (6 feet) in the pool.
- Parents will be asked to escort their swimmer(s) to their swim instructor.
- Only one parent per child in the club.
- Students are encouraged to arrive and leave the club wearing their swimsuit.
- We ask you to refrain from using the changing tents and pool deck showers. Restrooms will be available for use, but we ask to maintain social distancing upon entering and exiting the restrooms.
- We encourage all families to limit the time they are in the club to the extent of their swim lesson. Please refrain from loitering. This will help us maintain a lower number of people in the pool area at one time.
- Class start times may be staggered based on the volume in the club.

Safety Measures for our Customers and Employees:

- Touch-free temperature scans will be conducted on our team members. Temperatures in excess of 100.0 degrees will be refused entry.
- Temperature scans may also be performed by gym staff on our swim school families when they enter the club. This may vary by club location.
- Facemasks are required to be worn by all families and employees when approaching the club, while in the club, and when exiting.
- Swim Instructors are required to wear a facemask. In addition to the face mask, they may also wear a face shield.
- If you are sick or showing symptoms of COVID-19, please stay home and get well.
- If you have been exposed to COVID-19, please abide by the CDC recommended 14-day quarantine.
- All employees have been told not to come to work if they are sick.
- Any employee that comes to work feeling sick and/or shows COVID-19 symptoms will be sent home immediately.
- Symptom checks may be conducted before employees enter the workplace.
- Ongoing training will be conducted on a weekly basis to ensure all team members are taking preventive steps to ensure the health and safety of themselves and the family's we serve.

Sanitation Efforts:

- Instructors will be disinfecting shared surfaces multiple times per day. These areas include (not limited to): chairs, benches, and changing tents.
- Sanitizing spray will be made available to our customers to wipe down any shared surfaces before and after each use.
- Hand sanitizer will be made available to our team members and customers.
- Soap and water are available to all customers and employees.
- Disinfectant and related supplies are available to all employees.

Chlorine Clean Pools:

NOTE: There is no evidence that the virus that causes COVID-19 can be spread to people through the water in pools. Visit:

<https://www.cdc.gov/coronavirus/2019-ncov/community/parks-rec/aquatic-venues.html>

- We will continue to ensure the fitness clubs maintain a well-balanced, chlorinated pool per the local health department requirements.

Signage:

The following signage will be placed up in the pool area.

Safety Measures

- Facemasks are always required to be worn when in the facility.
- Please maintain 6 feet of distance at all times.
- If you are sick or showing symptoms of COVID-19, please stay home.
- If you have been exposed to COVID-19, please abide by the CDC recommended 14-day quarantine.
- All employees have been told not to come to work if they are sick.
- Any employee that comes to work feeling sick and/or shows COVID-19 symptoms will be sent home immediately.
- Sneeze and cough into a cloth or tissue or, if not available, into one's elbow.
- Refrain from shaking hands or engaging in any unnecessary physical contact.

Prescreening Health Questions

NOTE: If a customer answers 'Yes' to any of these questions, we may ask the customer to leave. They can feel free to call our office to schedule a make-up lesson. They should also consider seeking medical advice and self-quarantine. If an employee answers yes to any of these questions, they will be required to notify their supervisor that they will not be able to work.

1. Do you have a fever?
2. Do you have a worsening cough?
3. Do you have a worsening shortness of breath?
4. Have you or anyone in your household traveled internationally in the past 14 days?
5. Have you been told by a healthcare provider that you should self-quarantine due to potential COVID-19 exposure or are you suspected of having COVID-19?
